# ACKNOWLEDGEMENT

First and foremost, I thank God almighty for his eternal love and protection throughout the project. I take this opportunity to express my gratitude to all who helped me in completing this project successfully. It has been said that gratitude is the memory of the heart. I wish to express my sincere gratitude to our Manager **Rev. Fr. Dr. Mathew Paikatt** and Principal **Dr. Z V Lakaparampil** for providing good faculty for guidance.

I owe a great depth of gratitude towards our Head of the Department **Rev.Fr. Rubin Thottupuram** for helping us. I extend my whole hearted thanks to the Project Coordinator **Ms.Shelly Shiju George** for her valuable suggestions and for overwhelming concern and guidance from the beginning to the end of the project. I would also like to express sincere gratitude to my guide**, Ms.Merin Manoj** for her inspiration and helping hand.

I thank our beloved teachers for their cooperation and suggestions that helped me throughout the project. I express my thanks to all my friends and classmates for their interest, dedication, and encouragement shown towards the project. I convey my hearty thanks to my family for the moral support, suggestions, and encouragement to make this venture a success.

VISHNU BABU

# ABSTRACT

This is an online project developed for leading Bike company. This project is use full for the Bike showroom management team to maintain the customer details, booking details, Bike details and service details. The Project “IDEAL BAJAJ” contain the Bike information and the free servicing details regarding the bikes. If any person buys a Bajaj bike that person considered as a permanent customer and the management team can frequently interact with the customers through the software.
